## TECHNICAL DATA SHEET

PRODUCT DESCRIPTION: WATER REPELLENT SPRAY

CODE: 80.0014

PROPERTIES AND AREA OF USE: Transparent silicone-free product, protects and waterproof shoes, boots, garments and other objects, including suede, nubuck or smooth leathers without altering the structure. Apply again after use or rubbing.

### USE:

Use between +10° C and +25° C.

Use appropriate personal protection (gloves, glasses and masks). Clean the surface from impurities and dust and/ or if necessary wash the items to be treated and let dry thoroughly. Shake the can vigorously for 2 minutes. Make a spray test on a separate surface. Apply evenly from a distance of 20cm, not to create stains and streaks. Maximum efficiency is achieved after evaporation of the solvent.

Store in a dry place. Protect from direct sunlight and other heat sources. Use only during the dry season, in places protected from the wind, and in well-ventilated environments. Follow the warning texts on the labels.

LABELLING: all Areco Italia products comply with the current regulations on classification and labelling. Classification and distinction are made in accordance with the legislation of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS) pursuant to Regulation CLP 1272/2008 EC. Our safety data sheets comply with the current version REACH 1907/2006 EC, Article 31, Appendix II and subsequent amendments or updates.

ENVIRONMENT: Areco Italia undertakes to apply the formulations of the products without prohibited or restricted substances and to obtain the best possible performance. Caps and packaging are made of recyclable material.

DISPOSAL: Check that no paint residue remains in the container. Dispose of the empty container in the appropriate recycling containers. Containers containing paint residues must be disposed of at hazardous or special waste collection points.

DISCLAIMER: This technical information is based on scientific knowledge. They shall, however, be considered as a non-binding indication and shall not release the consumer from personally carrying out checks on the products with regard to their compatibility with the intended uses. The application and processing takes place outside the direct control of the manufacturer and are the sole responsibility of the user. Areco Italia is relieved of any liability if any damage is not attributable to specific causes attributable to Areco Italia itself.
